

2019 RICE BOWL GRANT APPLICATION Local Hunger and Poverty Alleviation Efforts

Criteria and Guidelines

CRS Rice Bowl is sponsored by Catholic Relief Services (CRS), the international relief and development agency of the U.S. Catholic Bishops, the Catholic Archdiocese of Saint Paul and Minneapolis, and the Center for Mission. This Lenten program is conducted in Catholic parishes and schools throughout the archdiocese. Seventy-five percent of the funds raised are used for CRS's international development projects. Twenty-five percent is distributed in the archdiocese to programs focused on alleviation of hunger and poverty. **Local entities---including parishes or nonprofit organizations working to alleviate hunger or poverty---may apply to receive a grant** from the 25% of the Rice Bowl collection remaining in the archdiocese.

1. Priority for the grants will be for efforts alleviating hunger and food insecurity.
2. Projects that respond to the root causes of hunger, i.e., projects dealing with economic development, anti-hunger advocacy and organizing, etc., also meet the criteria.
3. Grants are awarded annually and do not imply subsequent years' funding. Those who received funding in previous years need to re-apply for a 2019 grant.
4. Organizations that receive Rice Bowl funds in 2019 will submit a simple written report by **May 15, 2020**, explaining the use of the grant.
5. No proposal for a recipient located outside of the archdiocese will be considered.
6. Organizations' activities must be consistent with Catholic moral and social teaching and with 501(c)3 rules regarding partisan political activity.
7. Applications made by a Catholic parish or parish program (project, organization, etc.) require the appropriate parish staff person's signature on the application form indicating his/her approval of the grant application. (For us to receive this signature, the form can be mailed in regular mail, or can be printed, signed, scanned, and e-mailed to us).
8. Grant applications for \$200 to \$800 will be considered. The amount awarded may be different than the amount requested. Priority for parish awards will be to those parishes that participate in the Lenten CRS Rice Bowl program.
9. Parishes or schools that are recipients of the grant are requested to publicly acknowledge receipt of the CRS Rice Bowl Grant in their bulletin or other publication.
10. Grants will be forwarded by November 6, 2019.
