

JAMAICA

Mission Trip

April 8, 2024 - April 13, 2024

Diocese of Mandeville, Jamaica

Experience the joys of *Encountering Christ in Mission*

This is an unique opportunity to visit a poor, mission diocese and encounter the proud and welcoming people of Mandeville, Jamaica. You will learn about their difficult history and current culture. Pope Francis stated during his recent trip to Romania, "People need to walk together in harmony to build a more fraternal world." We will walk with Jamaican people and visit:

- Schools
- Health clinics
- Housing for the poor
- Orphanages
- Senior housing

Finally, we will have an opportunity to thank those we meet by serving in a Diocesan-guided activity that is most needed.

A MOVING AND UNFORGETTABLE EXPERIENCE!
