World Mission Sunday- October 21/22, 2023 – “Hearts on Fire, Feet on the Move”

Pope Francis invites us to celebrate World Mission Sunday with the entire Church on the weekend of October 21/22. This year we consider the missionary journeys and encounters of Christ in mission dioceses worldwide. The Society for the Propagation of the Faith helps through their immense work supporting and nurturing 1,100 new and struggling mission dioceses around the world. This year, we hold up Anne Attea, from our archdiocese, as an example of one whose heart was on fire as she traveled to several Central and South American mission dioceses and returned to share her life transforming encounters. Join those around the world celebrating World Mission Sunday and express your missionary spirit by praying and financially supporting the Church's missions. Thank you.
